

The Sirius 13000 – spacious ‘Orangery style’ greenhouse, beautifully designed with many fine features.

Lots of space for growing plants or just relaxing (or both!)

It offers an impressive eaves’ height of 1.57m and the glass is held securely in place with a new black rubber capping system.

A strong matching steel base and three downpipes are included as standard, as well as double doors and 4 roof vents.

Available in anodised aluminium or powder coated in green or black.
